The Code is a useful tool for new lawyers and third year law students doing externships. Every semester, free books are given away to the externship programs at Georgia State University, John Marshall, Mercer, and Emory. In addition, free books are given to participants attending new lawyer training programs. Help support this cause by donating below.

If you are aware of any seminars, training programs, or any other event for law students or new lawyers, please click on the "Contact Us" link and let us know about it so that we may provide those participants with free copies of The Code.
